## Details

### Description

The WD 3 Premium multi-purpose vacuum cleaner is super-powerful with a power consumption of only 1,000 watts. It features an impact-resistant 17-litre stainless steel container and a cartridge filter for vacuuming dry and wet dirt without changing the filter. Thanks to the newly developed suction hose and the new clips floor nozzle with two rubber and two brush strips, the multi-purpose vacuum cleaner consistently and immaculately removes all types of dirt. Thanks to the removable handle, accessories can be directly attached to the suction hose. The practical parking position allows convenient parking of the suction tube and floor nozzle during working interruptions. Blower function, "Pull & Push" locking system, ergonomic carrying handle, as well as practical cable and accessory storage complete the equipment package of the WD 3 Premium.
