Details

Description

The high-end WD 6 P Premium multi-purpose vacuum cleaner impresses with its ultra-high suction power, with a power consumption of only 1,300 watts. The vacuum cleaner is equipped with the innovative filter removal technology and also with the flat pleated filter contained in a removable box in the device head. By folding out this box, the filter can be removed in seconds without any contact with dirt. Dry and wet dirt can be vacuumed without the need for filter replacement. Thanks to integrated filter cleaning, the dirty filter can be efficiently cleaned by pushing the filter cleaning button, so that suction power is quickly restored. The power outlet with automatic on/off switch allows you to work with connected power tools. Dirt resulting from planing, sawing or grinding work is vacuumed directly. Suction power can be adapted to requirements, both for standard vacuuming operations and for use with power tools. Other highlights: 30-litre stainless steel container, newly developed accessories for the best cleaning results, removable handle with electrostatic protection, drain screw for large water volumes, parking position and much more.

Application

- Working with power tools
 - Renovation
 - Outdoors & garden
 - Garage
 - Workshop
 - Hobby room
 - Cellar
 - Entrance areas
 - Car interior cleaning
 - Large amounts of water

Features & Benefits

Patented filter removal technology

Quick and easy removal of the filter from the filter box – without contact with dirt.

For wet and dry vacuuming without filter replacement.

Newly developed: floor nozzle and suction hose

For the best cleaning results – whether dry, wet, fine or coarse dirt.

For maximum vacuuming convenience and flexibility.

Removable handle

Different nozzles can be directly attached to the suction hose.

For easy vacuuming – even in confined spaces.

Excellent filter cleaning

Strong pulse air streams moves the dirt from the filter into the container at the push of a button.

The full suction power is quickly restored.

Socket with automatic on/off switch for working with power tools.

The vacuum cleaner is automatically switched on or off via the power tool.

Dirt resulting from planing, sawing or grinding work is vacuumed directly.

Practical blower function

Effortless dirt removal, e.g. from a gravel bed.

Where vacuuming is not possible, the practical blower function can be used.

Drain screw

Fast and effortless emptying of large water volumes.

Practical parking position

Quick and easy intermediate parking of suction tube and floor nozzle during working interruptions.

Practical cable and accessory storage

Space-saving, secure and easily accessible suction hose, power cable and accessory storage.

Rotary switch (On/Off) with suction power adjustment

Variable suction power adjustment for normal and power tool use.

* Measured at the suction tubes according to the IEC 60312 standard.

Accessories

Accessory kits

Vacuum Kit for power tools

Flexible suction hose (1 m) including adapter for connecting hose to the dust exhaust connection of power tools (e.g. jigsaws, grinders, drills, planes, etc.) For clean DIY.

Order no. 2.863-112.0

Renovation Kit

The Renovation Kit efficiently removes coarse dirt and fine dust. Suitable for the Kärcher Home Garden multi-purpose vacuum cleaners MV 5 to MV 6, WD 5 to WD 6, as well as the WD 7.000 to WD 7.999.

Order no. 2.863-220.0

Car interior cleaning kit

Optimised car interior cleaning kit for complete car interior cleaning: from the dashboard to car seats, upholstered surfaces, foot mats, crevices, gaps and car boots.

Order no. 2.863-225.0

Brush car set

The suction brush set allows thorough car interior cleaning that is appropriate to the material being cleaned, from dashboards to foot mats and upholstered surfaces. For all Home Garden multi-purpose vacs.

Order no. 2.863-221.0

Household Kit

The Home Kit includes a switchable dry vacuum floor nozzle and an upholstery nozzle. The practical accessory kit is suitable for all Kärcher multi-purpose vacuum cleaners from the Home Garden area.

Order no. 2.863-002.0

Coarse dirt Kit

Extensive vacuuming kit with enlarged nominal diameter (60 mm) for all types of coarse dirt. Suitable for wood chippings, debris, gravel, crushed stones, small stones, leaves, soil or bark mulch.

Order no. 2.637-945.0

Accessory kits

Car interior cleaning Kit

Extensive accessory kit for all jobs in the car. For cleaning car boots, footwells, dashboards, seats, side pockets, footmats, etc.

Order no. 2.862-128.0

Filter

Flat pleated filter

Flat pleated filter for Kärcher Home Garden multi-purpose vacuum cleaners from the MV 4 to MV 6 ranges and WD 4 to WD 6 ranges. The embedding in the designated filter box on the device allows filter exchange without coming into contact with dirt.

Order no. 2.863-005.0

Fleece filter bag

Extremely tear-resistant fleece filter bags with a high dust retention rate. Significantly longer suction intervals compared with paper filter bags. For all Kärcher Home Garden multi-purpose vacuum cleaners from the MV 4 to MV 6 ranges and WD 4 to WD 6 ranges.

Order no. 2.863-006.0

Nozzles

Switchable wet and dry vacuum nozzle with integrated parking nib

Switchable wet and dry vacuum nozzle for perfect dirt intake. Easy adaptation to wet or dry dirt using foot switch. For all Kärcher Home Garden multi-purpose vacuum cleaners.

Order no. 2.863-000.0

Extra long crevice nozzle

Fully redesigned, extra long crevice nozzle. Ideal for hard-to-reach places inside the car (for example gaps and crevices). Suitable for all Kärcher Home Garden multi-purpose vacs.

Order no. 2.863-223.0

Car nozzle/suction nozzle for large areas

Handy car vacuuming tool for quick and easy cleaning – from the footwell to the boot.

Order no. 2.863-145.0

Nozzles

Suction brush with hard bristles

Brush for thoroughly cleaning car upholstery and carpets. Hard brush easily removes dried dirt.

Order no. 2.863-146.0

Suction brush black

Brush with extra soft bristles for gentle cleaning of sensitive surfaces in the car, e.g. dashboards or centre consoles.

Order no. 2.863-147.0

Extra long crevice nozzle

Extra-long crevice tool for difficult to reach areas such as crevices, gaps, cracks and similar, e.g. between upholstery, side pockets in cars or between walls and furniture.

Order no. 2.863-144.0

Special applications

Ash filter/coarse dirt filter Basic

Coarse dirt/ash filter for cleaning fireplaces, tiled stoves, barbecues, sauna ovens, etc., as well as removing coarse dirt.

Order no. 2.863-139.0

Ash filter/coarse dirt filter Premium

Premium coarse dirt/ash filter with fine filter suitable for cleaning fireplaces, tiled stoves, barbecues, sauna ovens, etc., as well as removing coarse dirt.

Order no. 2.863-161.0

3.5 m suction hose extension

The 3.5 m long suction hose extension is suitable for all Kärcher multi-purpose vacuum cleaners from the Home Garden area and ensures a larger working radius and greater free movement.

Order no. 2.863-001.0

Special applications

Extension suction tube

Practical extension suction tube for greater flexibility. Suction tube can be extended for difficult to reach areas, e.g. high ceilings.

Order no. 2.863-148.0
