

Very compact and light-weight (14 kg) scrubber dryer. An innovative and efficient alternative to manual cleaning of hard floors from 20 to 200 m². The floor is immediately dry after cleaning. It prevents slipping. The new battery-powered model is ideal for portable use. It guarantees clean and dry floors without any risk of tripping over a power cable when something needs to be picked up. Perfect for cleaning small shops, restaurants, gas stations, supermarkets, sanitary areas, for hotels or snack-bars. Also usable additionally to bigger scrubber driers for special tasks.

CMS
Furus Award 2009

1 High-speed roller brush

- Ten times higher contact pressure than manual cleaning.
- The roller brush also cleans structured surfaces and crevices.

2 Immediately dry

- The soft suction lips remove moisture – backwards and forwards.
- For intensive cleaning, the suction can also be deactivated using the foot pedal.

BR 30/4 C Bp Pack

- Vacuum off facility
- Operates forwards and backwards
- Battery operation
